Good Morning Commander Cohen,

Sorry I forgot the picture yesterday....It's been a bit hectic trying to get everything done. I will say the article was nice, and I think Flock will make a great impact for the city.

https://www.noozhawk.com/article/santa_maria_council_oks_purchase_of_license_plate_reader_cameras_20210421

I wanted to make sure I looped you in with John Anderson, the NorCal rep. John will help you with getting the next batch of 19 cameras through procurement. John and I are syncing up later this afternoon and I will give him the details of where we are in the process.

Hopefully the other agreement can get signed and I will then get you synced up with our customer team for implementation!

It has been great working with you and I appreciate all your efforts getting this through procurement!
Best Regards,

Jesse Mund
